ACMS Library New Acquisitions

Call for Speakers for Spring 2010

The American Center for Mongolian Studies (ACMS) invites researchers and scholars to present public lectures during the ACMS Spring 2010 Speaker Series. If you are planning to visit Mongolia between November and August 2010 to conduct research or study, please contact info@mongoliacenter.org to schedule a date to participate in this public lecture series. The lectures must be conducted in English, and all academic disciplines are welcome. The Speaker Series is a great opportunity for scholars to present their work and for the general public to learn about academic research in Mongolia. Please notify the ACMS at least two weeks prior to your proposed date to speak in order to allow enough time to advertise the lecture.
