Dear Colleague,

The Mongolian Cultural Center is pleased to invite you to submit a paper for consideration for the "XIX Annual Mongolian Studies Conference."

Conference Theme: Commemorating 40 Years of Diplomatic Relations between Mongolia and the United States of America

The year 2027 marks the 40th anniversary of diplomatic relations between Mongolia and the United States. In recognition of this important milestone, the 2027 conference will give special attention to papers examining Mongolia–U.S. relations and the many connections between the two countries.

We particularly welcome papers addressing the history and development of Mongolia–U.S. relations, diplomatic and political relations, education and academic exchange, cultural and people-to-people connections, economic and social relations, Mongolian communities in the United States, U.S.–Mongolia cooperation, and other aspects of the relationship between the two countries.

At the same time, papers on other Mongolian Studies subjects are also welcome, including Mongolian language, history, religion, arts, culture, literature, anthropology, as well as Mongolian social, economic, and cultural issues.

The papers must be original work of the author(s) and can be written and presented in either Mongolian or English. However, presenters who are planning on presenting in Mongolian must submit a full English translation of the paper at least one month prior to the conference.

Submission deadline for paper abstracts is November 13, 2026. Abstracts must not exceed 500 words. If your paper is selected, you will receive an email from us by **November 27, 2026.**

Please note that if your paper is selected, we will ask you to submit your full paper by January 10, 2027, as we print the conference proceedings before the conference.

Prerequisite for presenting at the conference is payment of a $80 conference registration fee, which entitles you to 2-day attendance (including breakfast and lunch), conference proceedings book, and the closing reception.

The conference will be held at the Embassy of Mongolia in Washington, D.C.

Please send your abstracts to info@mglcenter.org

Thank you in advance!
